LOŽIONICA

Pogon

Multifunctional Hall / Black Box – 620 m²

Capacity: 600 seated / 1,000 standing guests

Pogon is the engine of ideas, events, and Ložionica itself. This multifunctional hall is a unique artistic space in the city, designed for a wide range of events – from all forms of performing arts, music concerts, and film screenings, to fashion shows, conferences, congresses, formal celebrations, markets, and mini fairs. The hall features telescopic seating and a full set of supporting spaces, including a control room, translation booth, dressing rooms with bathrooms, and a lounge area.

Included in the rental price:

- Sound system
- Basic lighting
- Projector and projection screen
- Stage

Spaces for 12 to 180 seats

Peron

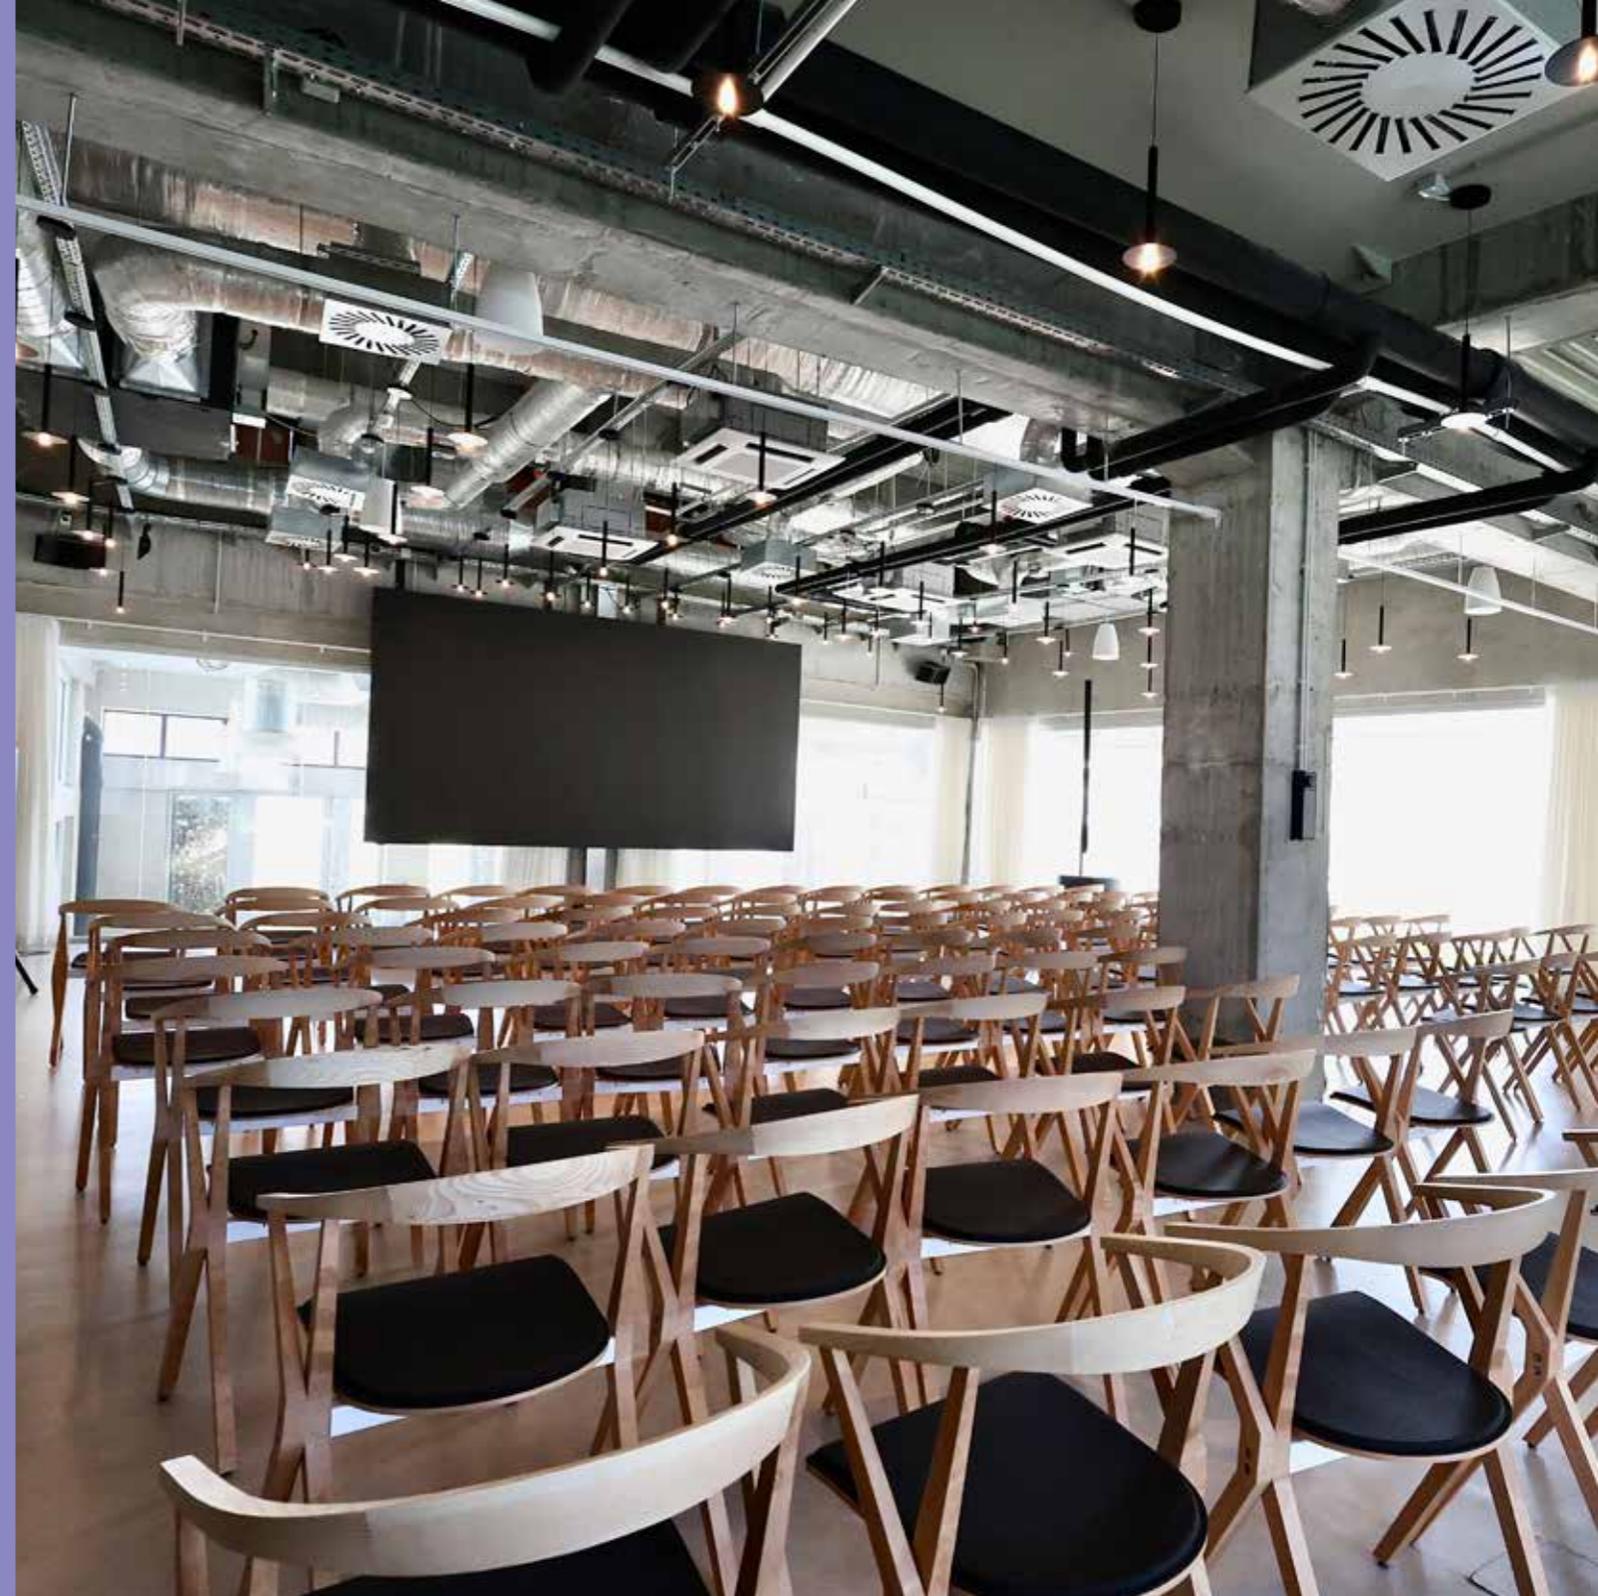

Conference Hall – 190 m²

Capacity: 180 seated guests

Located on the first floor (gallery level), with a maximum capacity of 180 seated guests, Peron is a place for gathering and communication – a platform where information intersects and new ideas and agreements are born. The combination of glass walls and white curtains offers a choice between privacy or a panoramic view of the authentic industrial setting. Peron is fully soundproof, making it ideal for corporate events, business and media conferences, and large meetings.

Included in the rental price:

- Sound system
- Basic lighting
- LED screen
- Stage

Terminal

Ložionica Exhibition Space – 370 m²

Capacity: up to 500 guests (cocktail setup)

Capacity: up to 500 guests (cocktail setup)

The exhibition space of Ložionica spans 370 m² and features a modern industrial design. It is located in front of the multifunctional hall on the ground floor, offering a direct view of the amphitheater. This space is ideal for cocktails, exhibitions, food service, and meetups before or after events. It is flexible and adaptable to various event formats.

Foyer

Capacity: 150–250 guests

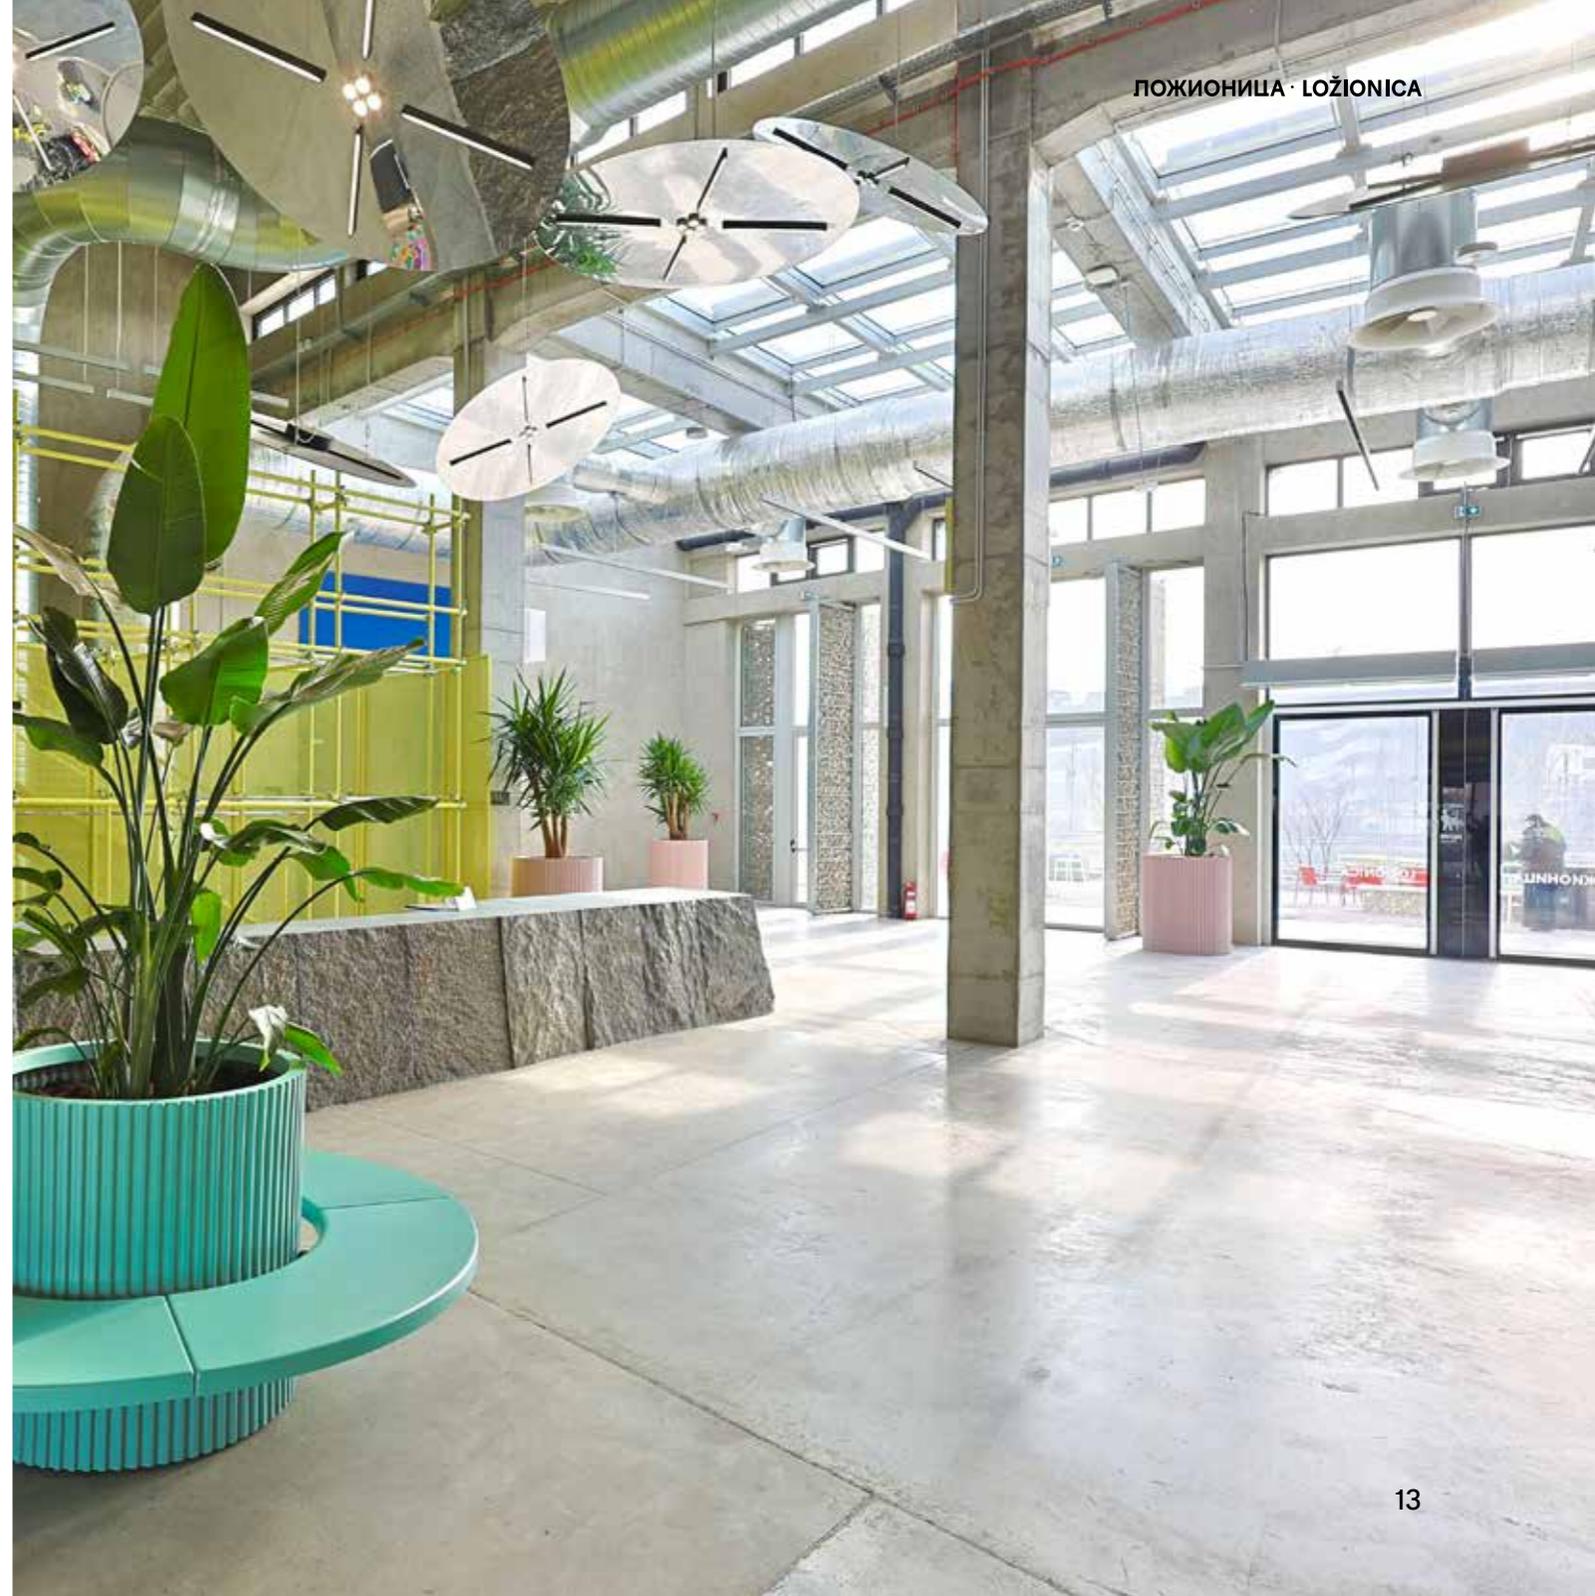

The foyer is located in front of the entrance to the multifunctional hall and serves as an extension of the exhibition space, which can be used together. It is ideal for cocktails, meet-up events and exhibitions especially as a supporting area for events held in the multifunctional hall. Total area: 450 m².

Foyer setup:

Capacity: up to 250 guests with cocktail tables

Foyer + Exhibition Space (combined):

Capacity: up to 600 guests with cocktail tables

Outdoor Space Full Area

Capacity: up to 10,000 guests

An open-air space of 3,120 m² with a capacity of up to 10,000 guests. Suitable for concerts, festivals, markets, and large-scale events, combining industrial and modern design.

Although located beneath the Gazela Bridge, the noise travels upward and does not interfere with events.

Corporate events & outdoor lectures: Capacity: **up to 1,000 guests**

Concerts, festivals & markets: Capacity: **up to 10,000 guests**

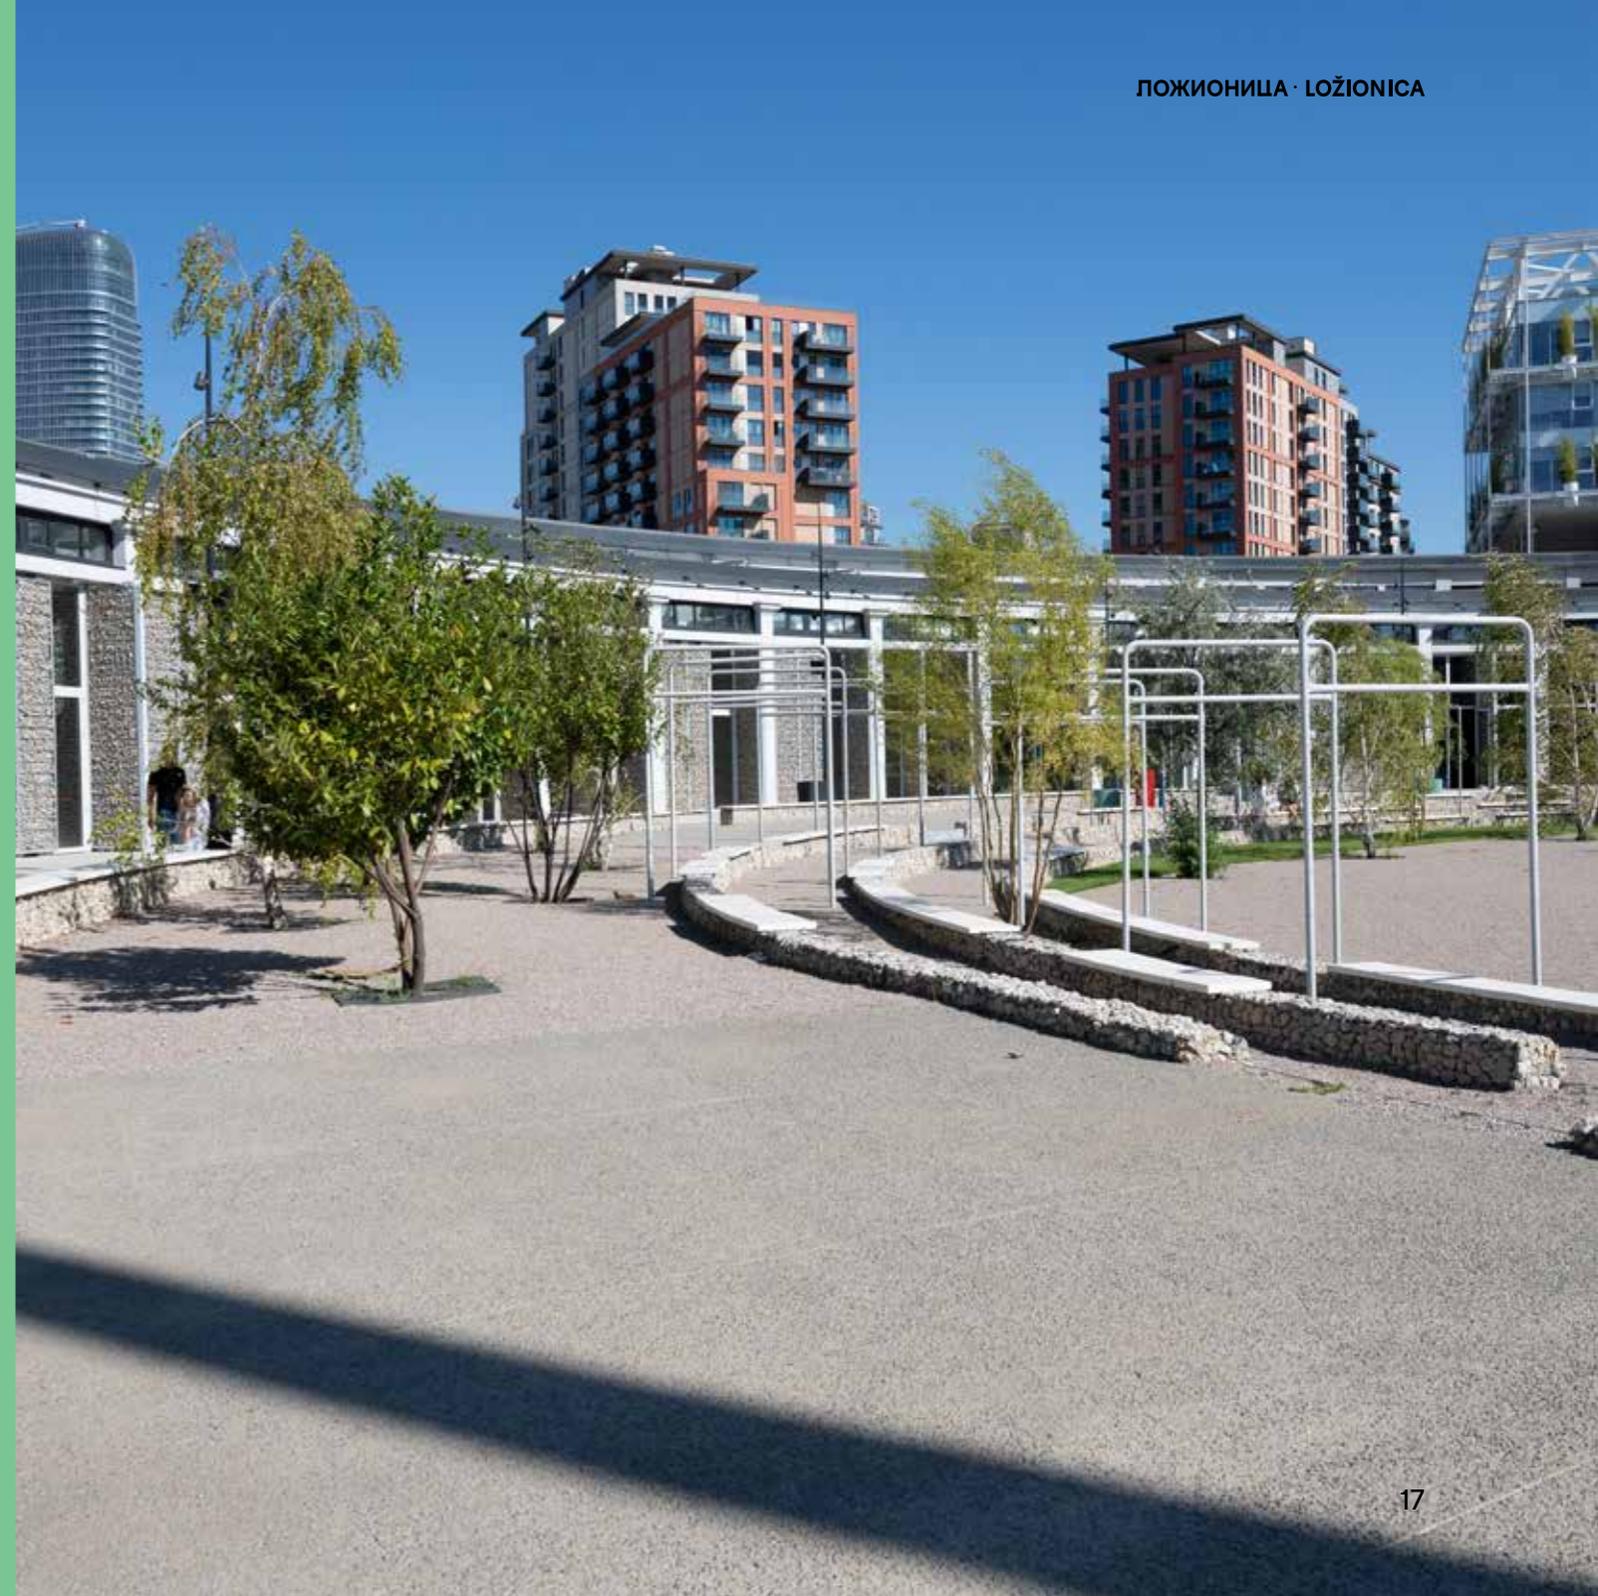

Outdoor Space Half Area

Capacity: up to 4,500 guests

The first two rings of the outdoor area (1,153 m²) are designed as an amphitheater with a summer stage. Ideal for corporate events, lectures, and fairs up to 500 guests, or larger events with up to 4,500 attendees.

Corporate events:
Capacity: up to **500 guests**

Concerts, festivals & markets:
Capacity: **up to 4,500 guests**

Catering

Ložionica also offers catering services organized by our partners. For all types of events – from business lunches to evening cocktails – menus are tailored to your needs and budget.

The official catering partner of Ložionica is Riva Food. For more information about catering options and additional services, please send an inquiry to events@lozionica.rs. If you wish to engage another catering provider of your choice, this is possible with prior approval from Ložionica. For further details, please contact us at the same address.
